

Wish List
SC School for the Deaf and the Blind

Budget cuts have made it difficult for us to purchase many needed items this year. We often find that individuals and groups are willing to help, but simply do not know our needs.

Our administrative team has compiled this list with the help of their employee teams. If you are interested in donating any of the requested items, please contact our fund-raising arm, The Walker Foundation at (864) 577-7583.

Thank You!
